

# Legal Research and Citation Guidelines

Firm-wide internal policy

|                 |                      |
|-----------------|----------------------|
| Date            | 2026-03-01           |
| Document Type   | firm_policy          |
| Author/Source   | Knowledge Management |
| Confidentiality | internal             |

## Source Verification

Attorneys must verify controlling authorities in an authoritative legal research source before relying on a proposition in a filing or client advice.

## AI-Assisted Research

AI-generated summaries may assist issue spotting but are not themselves legal authority. Material propositions must be traced to and verified against the original source.

## Internal Precedent

Prior firm work product may be useful as a starting point but should be checked for changes in law and client-specific differences.
