

Remote Work and Secure Access Policy

Firm-wide internal policy

Date	2026-02-18
Document Type	firm_policy
Author/Source	Information Security
Confidentiality	internal

Client Data

Client files must be accessed through firm-approved devices and encrypted services. Client documents may not be stored on personal cloud drives or unapproved removable media.

Public Networks

When working from public networks, personnel must use the firm VPN and avoid discussing confidential client information where conversations can be overheard.
