Relief Requested

Northstar asks the Court to prohibit Carter from providing substantially similar enterprise-sales services to Vertex within fifty miles of Westbridge for the remainder of the twelve-month restricted period and to enforce the six-month customer non-solicitation covenant.

Factual Basis

Northstar asserts that Carter had direct responsibility for Summit Bank, Orion Foods, and several strategic accounts, and that Vertex competes for the same enterprise analytics customers.

Irreparable Harm

Northstar contends that loss of customer goodwill and disclosure of confidential pricing cannot be fully remedied by damages.
