

Carter Opposition to Preliminary Injunction

Matter HC-2025-0142 | Northstar Analytics Inc.

Matter ID	HC-2025-0142
Client	Northstar Analytics Inc.
Date	2025-04-25
Document Type	court_filing
Author/Source	Counsel for James Carter
Confidentiality	external

Argument

Carter argues that the fifty-mile restriction is disconnected from his national customer territory and is broader than necessary. He states that Vertex has assigned him to a product segment different from his Northstar responsibilities.

Carter agrees that he remains bound by valid confidentiality obligations and states that he has not solicited Summit Bank or Orion Foods.

Requested Disposition

Carter asks the Court to deny the non-competition injunction and, if necessary, enter a narrower order addressing confidential information and named customer solicitation.
