

Matter Closing Memorandum

Matter HC-2025-0142 | Northstar Analytics Inc.

Matter ID	HC-2025-0142
Client	Northstar Analytics Inc.
Date	2025-09-19
Document Type	closing_memo
Author/Source	Daniel Brooks
Confidentiality	client-confidential

Outcome

The matter resolved without an injunction barring Carter from working for Vertex. Northstar accepted a targeted customer non-solicitation restriction and reaffirmation of Carter's confidentiality obligations.

Key Lesson

The Court's concern centered on the mismatch between a fifty-mile geographic covenant and Carter's national sales territory. Future executive sales agreements should consider customer-based restrictions rather than geographic limits where account responsibility is national.

Status

Matter closed September 19, 2025. No further court hearing is scheduled.
