2024 Annual Review

Overall rating: Meets Expectations. Lopez was praised for accuracy and knowledge of payer rules. Development note: improve timeliness when escalating disputed accounts.

January 2025 Supervisor Note

Supervisor recorded two missed internal reporting deadlines but did not recommend discipline.

March 2025 PIP

Performance improvement plan cites delayed reconciliation reports, communication concerns, and three missed deadlines. The PIP was issued March 17, 2025, approximately one month after Lopez's compliance complaint.
